

TOLLESTON

HIGH

SCHOOL

Dear Diary,

I am always amazed at how quickly time flies . . . it seems just yesterday when I began this diary . . . now, as I glance back through the pages, I am thankful that I have this book of memories . . . graduation will be here before I know it . . . practices at Memorial Hall . . . trying to keep my balance while doing the lock step . . . then commencement night will be here . . . the long solemn march to the stage . . . the strains of "Pomp and Circumstance" . . . I'll be so nervous I won't hear a word of the speeches . . . my name will be called, and I'll be shaking hands with Mr. Lutz and receiving congratulations from friends . . . smiles on the faces of most of the graduates . . . tears in the eyes of a few . . . afterward a whirl of open houses . . . a hazy recollection in my mind of my graduation night . . . envious juniors and wistful sophomores waiting for their turn. Yes, it is true . . . "Time and tide wait for no man."

September 1947

Dear Diary,

School days! School days!  
Those dear old golden rule days.  
Readin' and writin' and 'rithmetic  
Taught to the tune of a hick'ry stick.

Yes, here I am again, and I'm singing that September song  
... as soon as I entered the building, I began to wonder what  
kind of year this would be ... things began to pop into my mind:  
what my program would be: what teachers I would have ...  
how many classes I would have with "him" ... would I have to  
study much to keep my grades ... what new clubs there would  
be to join ... should I keep up all my other activities ... would  
our football team take the city championship ... how about  
basketball sectionals ... graduation seemed too far away ...  
standing around their register classes I saw groups of bewil-  
dered freshmen, blase sophomores, enthusiastic juniors, and un-  
certain seniors, talking and laughing while the walls began to  
reacquaint themselves with the students' voices.  
Gosh! It's good to be back.

It's wonderful to be back !

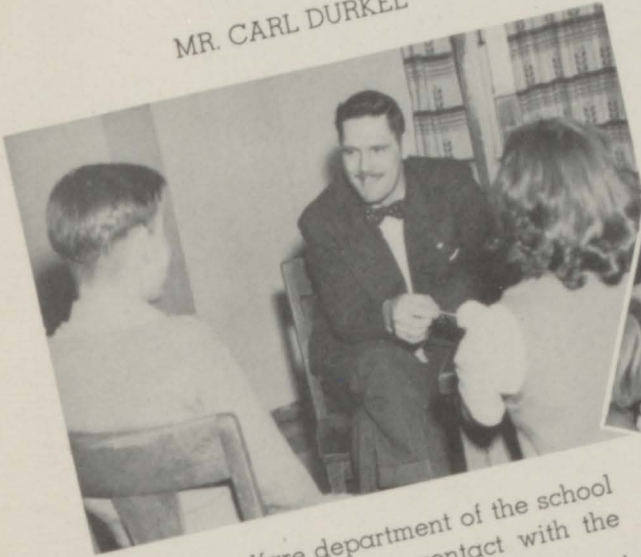

JAMES W. STANDLEY

Our leader, principal . . . always willing to guide us . . . never too busy to listen to us . . . offering encouragement . . . doing his best for us.

MR. CARL DURKEL

In charge of the welfare department of the school . . . keeps the school in close contact with the home . . . visits the homes of students . . . never a moment's peace.

MISS ADELINE GOLKOWSKI

We're glad to have her back from the service . . . resuming work right where she left off . . . always busy . . . writing admits . . . soothing slightly hurt but very frightened children.

## OFFICE STAFF

From left to right: Miss Kratkoczki, Mrs. Gaski, and Miss Bartkowski

I wonder if they get tired . . . answering the same old questions . . . hour after hour . . . day after day . . . locker keys . . . game tickets . . . did you pay your book rental? . . . get your bus tickets after school . . . where were you third hour? . . . see Mrs. Gaski about that . . . an endless flow of questions . . . what would we do without them?

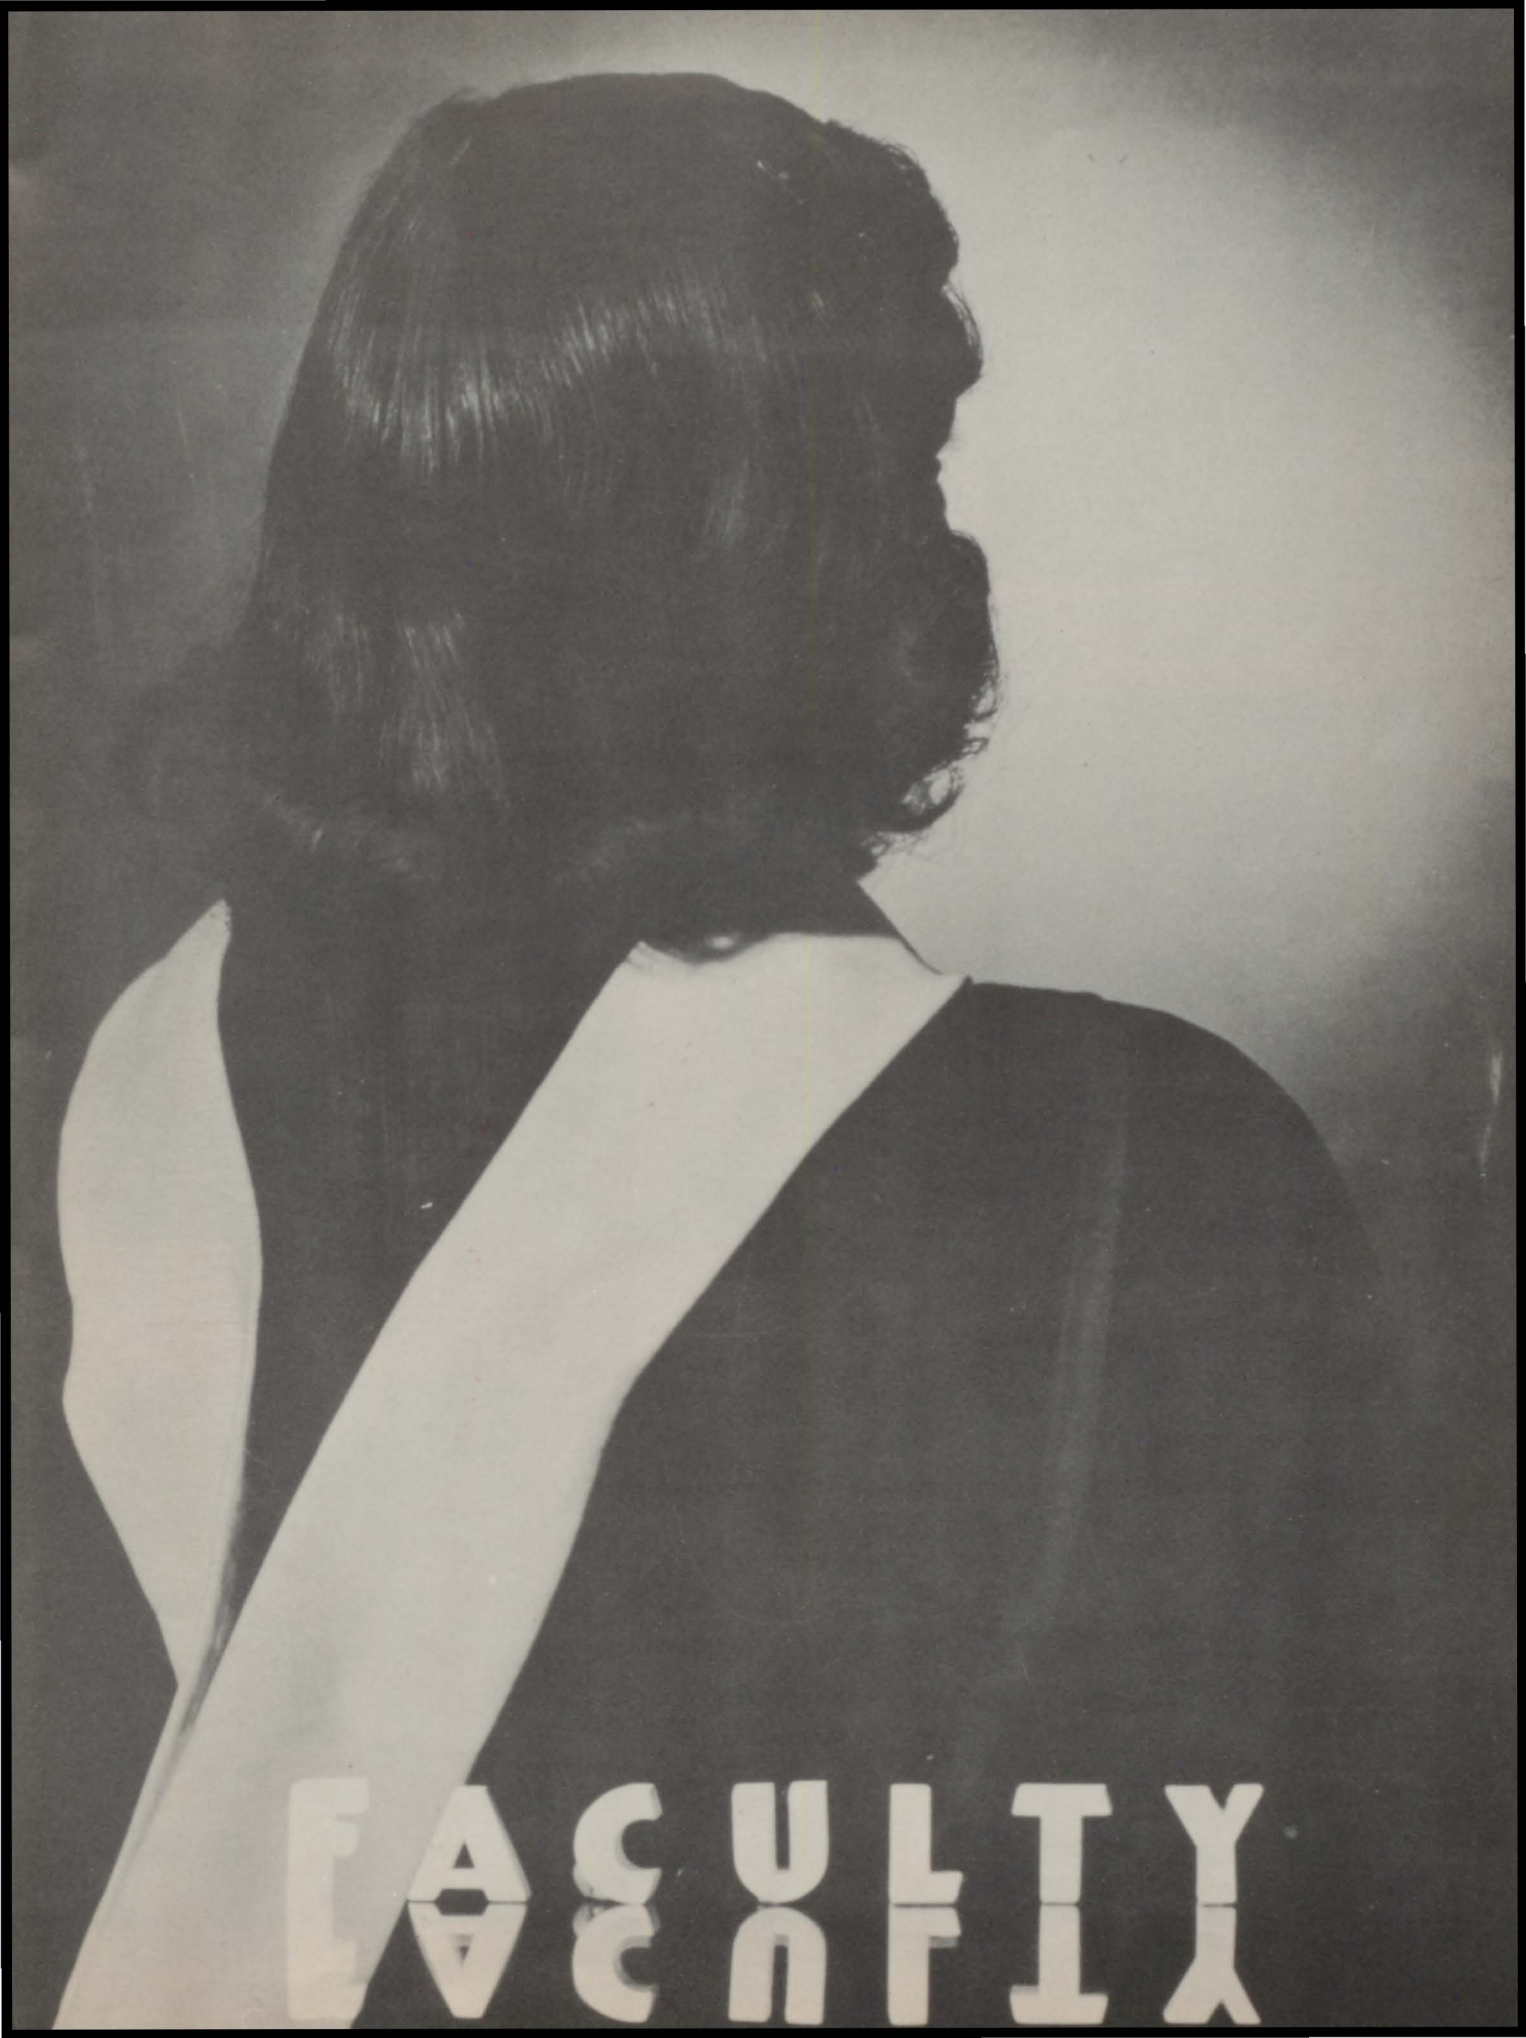

The Board of Education is like the Advisory Council's big sister — it serves the entire city as the Council serves Tolleston.

Seated: Reverend Newton Fowler, Michael J. Lobo, Mrs. Uno. T. Hill, Charles D. Lutz  
 Standing: Dan Kreitzman, William Stern.

The Advisory Council meets once each month with Principal J. W. Standley to discuss school problems . . . their aims are to improve our school and community and to co-ordinate their activities and responsibilities.

Edwin L. Schroeder, who is working on his M. A. Degree from Northwestern University, is a graduate of Lew Wallace High School and DeKalb Teacher's College. He came to Tolleston in January of 1938 and began teaching concert band and orchestra, but with the increased popularity of concert band, orchestra was dropped. Leading the band into second place in class D at the Chicago Music Festival, and first place in the tournament of bands at Riverview, Mr. Schroeder gave Tolleston one of its finest bands.

When September of 1947 rolls around, Mr. Schroeder will have advanced into the position of instructor in method, instrumentation, and the band and orchestra at DeKalb Teacher's College. DeKalb's gain will be Tolleston's loss.

Tolleston has reason to be proud of its debate team this year. Under the able leadership of Mrs. Laura Hall the team won the Sectional Debate Tournament and the right to compete at La Porte. A member of the team, Virgil Moslander, added further honors to Tolleston by winning the Rotary Oratorical Contest.

# FOOTBALL

Tolleston is fortunate in having on its coaching staff Coach Eddie Herbert. A graduate of Indiana University and a football star in his own right, Coach Herbert came to Tolleston in 1943 to shape its boys into football players. Coach was himself a member of the 1942 College All-Star team and blocked for Tommy Harmon. This year Coach Herbert took a group of almost inexperienced boys and made of them a team that went ahead to place second in the N. I. H. S. C. He coaches varsity and reserve football, freshman, eighth grade, and reserve basketball, and track. With Coach Eddie Herbert at its helm Tolleston's football future looks bright.

1st row: August LaMantia, Richard Markle, Robert McGlothlen, Donald Penny, Robert Reigert, Norman Kendt, George Martin, John Lindsay, Sam Maletta.

The Tolleston season started slowly by a loss to Roosevelt of East Chicago . . . although the score was 39 to 20, Tolleston showed great form and proved a team with which to reckon . . . after the upset tie with Roosevelt of Gary, the Blue Raiders blazed on to one victory after another . . . the tricky back-field play sparked the line to hit hard . . . to name the star players would be to name the whole team . . . with a victory over Froebel tucked under their belts, the Raiders surged ever onward by bowling over Hammond Tech, Horace Mann, Hobart, Lew Wallace, Hammond Clark, and Valparaiso . . . however, one of the most thrilling games of Tolleston's history was the 6 to 0 win over Hammond Clark . . . with the game at a 0 to 0 standstill, suspense grew over the crowd . . . the final minutes were drawing to a close when Jim Sarbenoff streaked to a 61 yard touchdown . . . Tolleston ended the season second in the N. I. H. S. C. with 7 victories and 1 defeat.

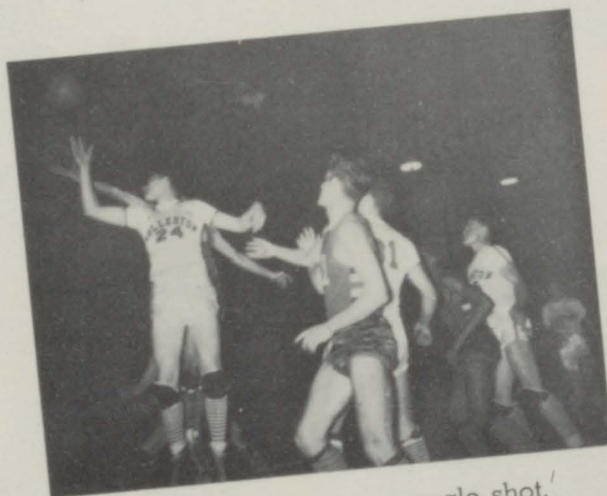

# BASKETBALL

Andy Rebar tries an angle shot.

As the 1947 N. I. H. S. C. came to a close, Tolleston finished eighth in the standing . . . However, this low standing only proved one thing . . . Tolleston was a tournament team, for it was the Raiders who won the Holiday Tournament and then went to the semi-finals in the Sectional Basketball Tourney . . . Since this was Coach Vance's first year since his return from the Navy . . . we agree that he has done a very good job . . . Tolleston's victory in the Holiday Tournament and Raiders advance to the Semi-Finals in the Sectionals proved his ability as a coach.

Tolleston's first cross country team was started in 1946. Although the team ended the season

in sixth place, it showed definite signs of being a team with which to cope in 1947.

The Girls Athletic Association is the largest single organization for girls in Tolleston. Its aim is to provide facilities for girls who are interested in athletics. For each sport in which a girl participates, she is given 100 points. Each girl must maintain 100 points a year to remain in the G.A.A. Officers and council members are selected on the basis of their interest and participation in the sports and social activities.

## TENNIS

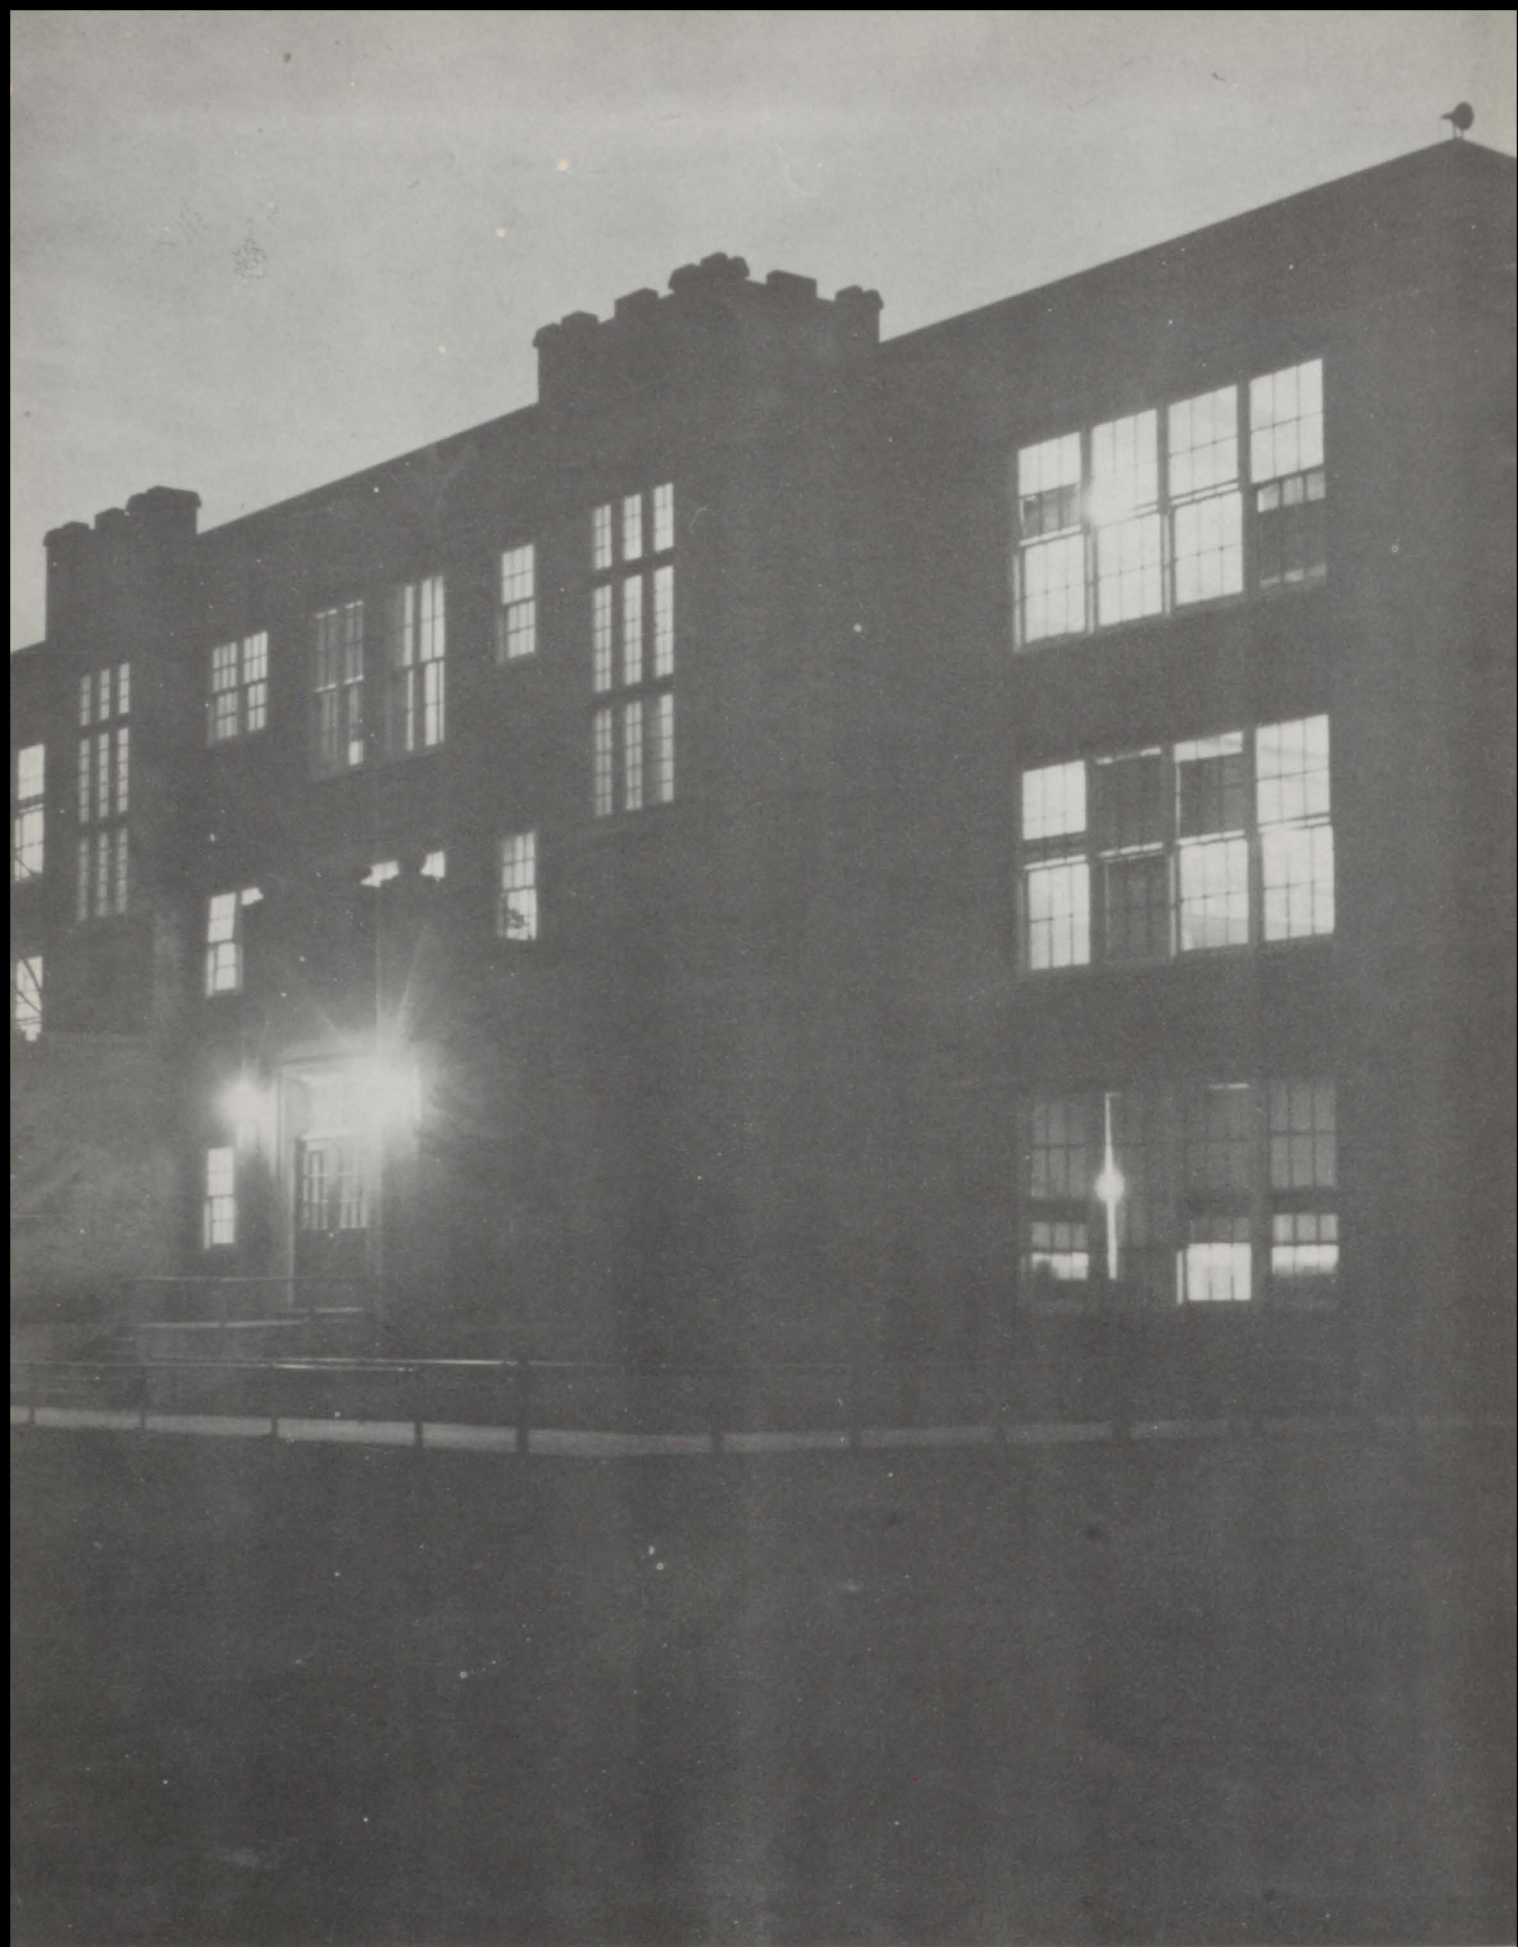

VIRGINIA SMELTZER - Tennis  
BETTY PIECKA - Captainball

The G.A.A. has 10 sports in which girls can partake. Since each girl is only required to participate in one sport a year, she can easily find at least one sport in which she is interested. Each council member is the captain of one of the various sports. Baseball, swimming and basketball are a few of the seasonal sports.
